OTA

19. [redacted] LIAISON Saw Loch Johnson, House Permanent Select Committee on Intelligence staff, and he asked me to define the term "psychological activities" within the most recently issued Perspective (on Countering the Activities of Hostile Intelligence Services). After checking with [redacted] I told Mr. Johnson that the term refers to forgeries and deception operations as well as certain agent of influence activities of hostile foreign intelligence services.

I briefed Loch Johnson on the background of [redacted] [redacted] planned testimony before the House Select Committee on Assassinations on Friday, 15 September. He said he would brief Mr. Thomas Latimer, Staff Director, House Permanent Select Committee on Intelligence.

Mr. Johnson also asked me to get some more detail on [redacted]

20. [redacted] LIAISON Dr. Robert F. Daly, Special Assistant to the Director for the Office of Technology Assessment, called with a request for a briefing on Soviet weather modification procedures and the involvement of (fnu) [redacted] in the work that the Soviets are doing. After checking with [redacted] NFAC/CSS, I told Dr. Daly that our analysts could not conduct a meaningful unclassified briefing on the subject. I did, however, pass on some unclassified information on [redacted]

21. [redacted] LIAISON Bernard Raimo, on the staff of the House Permanent Select Committee on Intelligence, called and we discussed language that should go into letters from the DCI to Representatives Richard A. Gephardt (D., Mo.) and Dan R. Glickman (D., Kan.)

22. [redacted] LIAISON Saw Fred Hull, on the staff of the House Permanent Select Committee on Intelligence, and told him that Tony Lapham, General Counsel, would be testifying before the House Committee on Government Operations on 19 September on the subject of how illegalities are reported to the Department of Justice.
